## **ROUTE AND RUN TYPE**

Beskidzki Topór Ultra is an individual, long-distance, mountain running race along Beskid Mały tourist trails and additional fragments marked by the Organiser. The running distance is 72,3 km with the elevation of +3287m/-3162m. The race starts in Andrychów, continues along the green trail to Pod Gancarzem mountain pass, then it turns right to the blue trail in the direction of Panczakiewiczza mountain pass. Turning right, the route continues on the yellow trail to Czartak and then to Jan Paweł II Groń and PTTK Leskowiec mountain hostel. From the mountain hostel, the route leads along the red trail by Łamana Skała to Potrójna and Kocierz. Next, through the area marked by the Organiser, to Porąbki and the green trail up to Trzonka. After turning left, the yellow trail takes us to Targanice and Potrójna. The last black trail stage of the race leads to the end of the run in Czarny Groń Centre.

Route details, with bird view and the chart of elevations, to be found in "route" tab on [www.beskidzkitopor.pl](http://www.beskidzkitopor.pl)

The route will be published in the form of a map distributed to every race participant.

ITRA/UTMB points : 3

## **DATE AND PLACE**

The competition start on 16 May 2020.

The race starts at 5:00 at ul. Wietrznego 6 in Andrychów (opposite the swimming pool).

The finishing line is at Hotel & Spa Czarny Groń, Osiedle Praciaki 91, 34-125 Rzyki

Competitors' decoration, race closing ceremony, after-run-party, taking place also on the area of Czarny Groń Hotel.

## **PARTICIPATION REGULATIONS**

In order to take part in the race one must:

- be of age
- show ID with a photo confirming your personal data when picking the starter package
- complete the participation form found on [beskidzkitopor.pl](http://beskidzkitopor.pl)
- pay the registration fee as listed in the price list
- personally sign the statement that there are no health contraindications to take part in the race and the participation is on one's own responsibility
- pick the starter package at the race office during its working hours
- show on time at the start of the race with indispensable and mandatory equipment

## **MANDATORY EQUIPMENT**

Every participant must carry the mandatory equipment throughout the entire race. The equipment may be checked during the run or at the finishing line. If some of the mandatory equipment is missing, the participant may be given a time penalty.

The mandatory equipment consists of:

- backpack
- waterproof jacket
- space blanket (NRC foil)
- fully charged mobile phone with saved emergency and organiser's number
- route map provided by the organiser
- mug/container for water of minimum 120 ml – to pick drinks at control points.

### **ROUTE REGULATIONS**

- the runners are obliged to cover the route on foot
- during the race, the competitor is obliged to run along the route designated by the organiser
- the competitor is obliged to fasten his/her start number on the front of their sportswear, in a visible and legible place
- it is forbidden to cover, change or destroy route markings.
- it is absolutely forbidden to destroy plants, frighten animals, drop litter (litter, waste or other non-organic remains are to be left at control points or at the finishing line in the designated area)
- the competitor may change clothes or equipment at any point on the route
- it is not allowed to leave any elements of the mandatory equipment with the fans cheering on the route in order to get rid off the ballast

### **ROUTE DANGEROUS POINTS**

There are some dangerous points on the route i.e. street crossing or fragments of the route where the runners must run along the side of the road. Every competitor must take all the precautions at these distances. When running on the side of the road, one must follow road traffic regulations and give way to road vehicles. The competitors must also follow the instructions and tips of the policing services. Dangerous fragments of the route will be secured by volunteers and representatives of the Fire Brigade in uniforms.

Below is the list of dangerous route fragments:

- 2 km of the route– Biadasów I street crossing in Andrychów,
- 3.5 km of the route– Inwałdzka street crossing in Andrychów,

The organiser is not held responsible for the belongings left at refreshment points.

#### **DEPOSIT AND TRANSITION AREA**

During the race, every competitor may use the deposit and the transition area facility. The transition area will be located on 42 km at the Kocierz refreshment point.

At the start, in the starter package, the runner will find two bags labelled with their start numbers. One bag will be delivered to the finishing line and the other to Kocierz. Belongings left in the transition area will be transported to the finishing line (after 4.00 p.m.).

The organiser is not held responsible for losing the content of deposits and repositories.

#### **RESIGNATION DURING THE RACE, INJURIES**

If a competitor resigns during the race, he or she is obliged to inform the organiser about it as soon as possible:

- at a control point, informing the services about the resignation
- using the organiser's phone number found in the starter package, then getting to the nearest collection point agreed upon on the phone.

The waiting time for the transport depends on the logistic possibilities of the organiser.

If a competitor is injured or finds him/herself in a situation requiring the intervention of a medical team, one shall inform the emergency service as soon as possible by calling the emergency number.

Persons who do not inform about their resignation, shall be charged with the costs of unjustifiable rescue operation.

#### **SAFETY**

Participants of the race take full responsibility for their participation and shall not demand compensation from the organisers should they suffer an injury or a material loss.

The competitors provide their own insurance. Agreeing on the race participation, the participant declares that his or her health condition allows for the participation in the running race. During the race, the runners will have to cross a national road, and therefore, extra caution and following instructions of the traffic controllers

*is required from them. The competitors are obliged to run on the left side of the road and give way to road vehicles on the other road fragments of the race.*

*If there is an accident, all race participants must give first aid to the injured and inform the medical team about the accident by calling the emergency number.*

*The organiser reserves the right to cancel the race for reasons beyond the organiser's control (no return of the registration fee).*

### **FANS**

*The entire race route is open for fans.*

*Fans and servicemen may assist their runners with drinks, dry clothes, shoes and exchange faulty equipment to new one.*

*Fans cannot take anything from the runners that is listed on the mandatory equipment list without handing them a replacement.*

*Fans are asked to collect rubbish when assisting their runners, e.g. when handing water to them.*

### **DISQUALIFICATION OR TIME PENALTIES**

*Competitors may be disqualified or punished in time, at every moment of the competition for the following actions:*

- not having compulsory equipment*
- no record of arrival by the judge at the control point*
- shortening the designated route*
- littering the route*
- failure to comply with traffic regulations*
- using means of transport*
- unsportsmanlike behavior*
- running with an unregistered person*
- invisible start number*
- you can run with the dog but you will be not classified*

### **REGISTRATION AND FEES:**

*Registration can be made through [www.beskidzkitopor.pl](http://www.beskidzkitopor.pl)*

*A competitor to register must complete a registration form with his or her personal details and additional information necessary for the preparation of the starter package.*

*There is a limited number of participants of 200 persons. The order of registering the bank transfer of registration fees counts.*

*Payment for the race participation depends on the date of the fee registered on the bank account of the organiser.*

<b>DEADLINES FOR RECORDS ONLINE</b>	<b>BESKIDZKI TOPÓR ULTRA</b>
<i>until January 31st</i>	<i>190 PLN</i>
<i>until March 31st</i>	<i>210 PLN</i>
<i>until May 10 st</i>	<i>250 PLN</i>

*The competitors who shall pay the registration fee by 3 May 2020 will receive personalised start numbers.*

*The payment date is the date of registering the bank transfer of the registration fee on the bank account of the organiser.*

*After 10 May 2020, the registration will only be possible in the race office the day before the race commences. Persons registered in that manner are not guaranteed full services. The registration fee can only be paid in cash (PLN 250).*

The registration fee shall be paid by bank transfer to:

**77 1240 4197 1111 0010 6588 8376 Bank Pekao**

**HIT THE TRAIL EVENTS S.C.**  
**34-120 Andrychów ul. Wyzwolenia 82**

State your name and race name (distance) in the title of the bank transfer.

Transferring the starter package to another person shall be only possible upon prior contact with the organiser.

If a participant resigns before 31 March 2020, 40% of the registration fee shall be returned to their bank account. Resignation after 31 March, during the race or no appearance on the start does not entitle to the return of the registration fee.

If a competitor is disqualified for not following the race regulations, the organiser does not return the registration fee.

### **TRANSPORT**

The race organiser provides the transport of competitors:

- after the end of the race at the finishing line in Rzyki to the start location in Andrychów.

Specific departure time will be given in technical communication later on.

### **CLASSIFICATION**

In the Beskidzki Topór run there will be Open Classification for Women and Men and age groups classification:

<b>MEN</b>		<b>WOMEN</b>
M20	18-29 lat (ur. 2002-1991)	K20
M30	30-39 lat (ur. 1990-1981)	K30
M40	40-49 lat (ur. 1980-1971)	K40
M50	50-59 lat (ur. 1970-1961)	K50
M60	above 60 lat (ur. 1960 and older)	K60

Runners awarded in the Open category shall not be awarded again in the age category. The organisers prepares prizes in-kind for the best runners in the above mentioned categories. The value of the prize shall depend on the generosity of sponsors. The condition for collecting a prize is the presence of the competitor on the race closing ceremony.

### **RESULTS**

Final classification and time of individual runners can be found in "RESULTS" tab.

After the race, (if the reception of mobile phones allows) each runner will receive a text message with their results. For all comments and queries concerning the results, contact directly TIME KEEPER, with its registered office in ul. Św. Barbary 40, 39-100 Ropczyce, mail: [biuro@timekeeper.pl](mailto:biuro@timekeeper.pl)

### **PERSONAL DATA AND IMAGE PROTECTION**

The participant gives consent for his/her personal data and image to be processed for the purposes of race organisation (under the Data Protection Act dated 29.08.1997 (Dz. U [Journal of Laws] No. 133 item 883)

### **FINAL PROVISIONS**

The organisers reserves the right to introduce changes to the race regulations. All changes shall be published on the race website.

Violation of the race regulations shall result in disqualification from the race.
